### Contact & Submissions

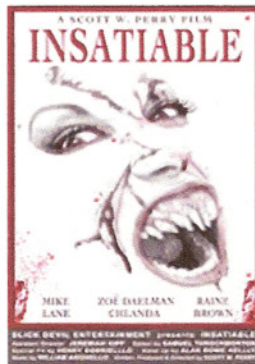

Before requesting to have your film reviewed, please make sure to read the Film Submission FAQ in the Submission Info section and then contact the editor to request the review and get the shipping address.

Rogue Cinema is always on the lookout for new writers to join our regular staff of volunteers. If you would like to join the Rogue Cinema team, check out the Submission FAQ and then contact the editor to discuss your proposed submission(s).

### Never Say MacBeth DVD

### Insatiable (2008) - By Brian Morton

Posted on Saturday, January 03 @ Mountain Standard Time by Duane

Serial killers and

vampires, low budget movies are filled with them...well, those and zombies, but a new short, Insatiable, takes the serial killer and the vampire, mixes them up a bit and turns out a movie that's just amazing.

Insatiable is told entirely without words, which makes it very unique, we meet a serial killer who kills his victims and drains them of blood, then takes the blood home and stores it. He begins to unravel a bit after seeing a woman who he's decided will be his next victim, at the same time his wife is wondering what's wrong with her husband. As things spiral further out of our charming killer's control, his victim turns out to be something very different than what he thought she was, his wife

Rogue Cinema Cinematic Excellence Award winner *Never Say MacBeth* is now available on DVD! Check out the review and then pick yourself up a copy of the DVD today!

discovers the DVDs he's been making of his kills, and, in the end, things end very badly for both the killer and his wife.

*Insatiable* is a great short, one that I can't imagine was easy to put together. Told totally without dialogue, the acting is great, the story is very good and, overall, *Insatiable* will leave you wanting more! I'd tell you more, but why ruin a perfectly good movie?? I'm giving *Insatiable* three and a half out of four cigars, it's not perfect, but you'll definitely want more. You can find out more about *Insatiable* by heading over to the Slick Devil Entertainment web page. So, until next time, when I'll be storing my blood inside me...as always, remember that just because the budget is low, doesn't make the movie bad.
