## HUNG BY A THREAD

Alan Rowe Kelly (**I'LL BURY YOU TOMORROW**, DEAD SERIOUS, OPENING THE MIND) recently got in touch with us to tell us about his new feature project - sadly no that is not his long rumoured UNHALLOWED GROUND, but his new anthology project. "It is called HUNG BY A THREAD" says Alan "and I start shooting my segment THE BLOOD SHED in two weeks!"

"I'm super excited and in the throes of pre-production as we speak. Jeremiah Kipp is on board as assos. producer and asst. director and I have cast myself, Joshua Nelson (AUNT ROSE), Mike Lane (THE TENEMENT), Susan Adriensen (PRISON OF THE PSYCHOTIC DAMNED), Terry West (FLESH FOR THE BEAST) and Jerry Murdock, Katherine O'Sullivan, Zoe Daelman Chlanda are all returning from the cast of IBYT! So it's just going to be wonderful on set!"

When asked about the other segments he said "Tyler Tharpe (FREAK, RETURN IN RED) is shooting his story 'CRACK - THEN SPLIT' around the same time and Michael T. Schneider (**AUGUST UNDERGROUND'S MORDUM**, OPENING THE MIND) will begin his macabre story '...AND THEN I HELPED' in April. We should wrap the prologue/epilogue story around July /August and hopefully be ready for Film Festivals etc. by late Fall 2006! "

For interested readers, the temporary webpage is up now and a full site is coming soon @ <http://www.hungbythread.com> Alan speaks about this project with more passion that he has mustered since IBYT was picked up for distribution by heretic films! He says "I think we're going to have a really fun and gruesome little flick!"

I for one, can't wait!
